| 19:00 - 24:00 | ICE Cocktail Party Zeta Bar, Hilton Hotel | | |

DAY 2 - FRIDAY 22ND JUNE 2018

| | | | |
|---------------|---|---|--|
| 07:45 - 08:45 | Breakfast Session 1 | Breakfast Session 2 | |
| | Writing for publication; tips and tricks from the editors <i>A/ Professor Tom Buckley, Christopher Gordon</i> | Life is too short to waste on bad research <i>Dr Kaye Rolls, Dr Naomi Hammond</i> | |
| 08:30 - 09:00 | Arrival Tea & Coffee | | |
| | Concurrent Session 7 Vascular Access | Concurrent Session 8 Improving the Patient Experience | Workshop 4 |
| 09:00 - 09:20 | Securement & troubleshooting central lines in the paediatric population <i>Dr Amanda Ullman</i> | Making infection control an infective culture <i>Rebecca Fletcher</i> | Clinical Decision Making: Putting Nasal High Flow Theory into Practice <i>Donna Franklin</i> |
| 09:20 - 09:40 | Vascular access choices and the role of the Vascular Access Team <i>Anthony Marshall</i> | STOP, collaborate and listen <i>Charlotte Kelly</i> | |
| 09:40 - 10:00 | Dressing & line changes - 4 or 7 days? Which one is it? <i>Dr Kaye Rolls</i> | Eye Gaze communication tool <i>Klint Goers</i> | Sponsored by:  |
| 10:00 - 10:20 | Difficult Intravenous access in paediatrics <i>Dr Ssethy Ung</i> | THRIVE - Post ICU survivors <i>Dr Kimberley Haines</i> | |
| 10:30-11:00 | Morning Tea & Exhibition | | |
| | Concurrent Session 9 Pressure Injury v's Skin Failure | Concurrent Session 10 Sepsis in Paediatrics | Workshop 5 |
| 11:00 - 11:20 | Pressing issues in PICU <i>David Harper</i> | Sepsis definitions: Present and future directions <i>Dr Marino Festa</i> | New modes of weaning <i>Paul McWilliam</i> |
| 11:20 - 11:40 | Are pressure injuries the canary in the hospital? <i>Prof Tracey Bucknall</i> | Sepsis Kills - Implementation of the Paediatric Pathway <i>Mayra Dos Santos</i> | Sponsored by:  |
| 11:40 - 12:00 | Pressure injury risk assessment <i>Dr Amanda Ullman</i> | First Look: The septic child in ED <i>Jane Cichero</i> | |
| 12:00 - 12:20 | Case Study: Bariatric patient <i>Mark Keating Sarah Jones</i> | An ultimate sepsis management option <i>Sarah Edwards</i> | |
| 12:30-13:30 | Lunch & Exhibition | | |
| | Concurrent Session 11 Ventilation in Adults | Concurrent Session 12 Building a Better ICU | Workshop 6 |
| 13:30 - 13:50 | Preventing Post ICU Syndrome <i>Dr Kimberley Haines</i> | Process & models of care in Level 4 ICUs <i>Kelly Cridland</i> | Perspectives on CRRT: What does the future hold <i>Nigel Fealy</i> |
| 13:50 - 14:10 | Ventilating the hard to ventilate patient <i>Dr Nhi Nguyen</i> | Paediatric risk matrix for patient to nurse allocation <i>Gail Harper</i> | |
| 14:10 - 14:50 | Case Study <i>Dr Glenn Eastwood Dr Kimberley Haines Dr Nhi Nguyen</i> | 1410-1430: Implementation of CIS- eRIC <i>Rand Butcher</i> | Sponsored by:  |
| | | 1430-1450: Score to Door: PICU outreach and the effect on mortality <i>Lynette Kirby</i> | |
| 14:50 - 15:00 | Questions | Questions | |
| 15:00 -15:30 | Afternoon Tea & Exhibition | | |
| 15:30 - 17:00 | Closing Plenary: Patient Experiences <i>Lindt Cafe Survivor, Louisa Hope</i> "One breath at a time" The Parents' Perspective, <i>Helen & Scott Ball</i> | | |
